

DELEGATION OF HAITI
TO THE ORGANIZATION
OF AMERICAN STATES
WASHINGTON

No. 3/581

October 26, 1962

Sir:

In reference to the resolution adopted at the meeting of October 23 by the Council of the Organization acting provisionally as Organ of Consultation, I have the honor to inform you that Dr. François Duvalier, President of the Republic, has offered the United States Government all of the port facilities of Haiti for the use of American naval units engaged in establishing a sanitary cordon around Cuba and stopping the massive supply of offensive arms from the Sino-Soviet powers, which threaten the peace and security of the Continent.

Accept, Sir, the renewed assurances of my highest consideration.

(s.) Fern D. Baguidy
Ambassador, Representative of Haiti
on the Council of the Organization of
American States

Dr. Alberto Zuleta Angel
Chairman of the Council of the
Organization of American States
